the Performers...

25 years since the very first *Dance for Peace & Socialism*, the Committee are very pleased to offer a stunning line-up of:

The Old Contemptibles' Ceilidh Band, now on their third appearance in a row, a treat for adults and kids alike.

Tango Zapatito, a duo of accordion and cello with harmony vocals, offering tango music from Europe and Argentina, plus much more.

Zibula, the most exciting African band in Britain, playing drum/percussion-driven dance music rooted in traditional and modern Congolese rumba and soukous.

The flashing sword-play and fancy footwork of regular performers the **Newcastle Kingsmen**.

Topping off the night, local band **Bo Diddley Squat**, who have been creating a stir in Tyneside and beyond with their original mix of 'crazy dance' music based on reggae, dub, gypsy, folk and ska.

Bring your dancing shoes – all for peace and solidarity!

the Beneficiaries...

Medical Aid for Palestinians (MAP)

provides support to the health and medical needs of Palestinians living in Gaza and the West Bank, to refugees in Lebanon and to other vulnerable communities in the region. Access to healthcare is compromised by the occupation, the ongoing conflict and the lack of a just political solution to the crisis. www.map-uk.org

The Medical Foundation for the Care of Victims of Torture

exists to enable survivors of torture and organised violence to engage in a healing process to assert their own human dignity and worth. Its concern for the health and well-being of torture survivors and their families is directed towards providing medical and social care, practical assistance, and psychological and physical therapy. www.torturecare.org.uk

The West End Refugee Service

(WERS) provides support services for asylum seekers and refugees in a friendly, welcoming environment. The range of integrated services aims to address the disadvantage, exclusion and poverty which affect asylum seekers and refugees living in the West End of Newcastle upon Tyne. www.wers.org.uk
